

AAES 2024 Annual Meeting

We would like to extend to you a warm invitation to the 44th Annual Meeting of the AAES which will be held at the Hyatt Regency in Dallas, Texas, April 20-22, 2024. Attendees can look forward to dynamic speakers, presentations of innovative research, opportunities to connect with colleagues, and informative panel discussions. This year's pre-meeting Advanced Course in Endocrine Surgery will include outstanding faculty and a wide range of topics. In addition, sponsors will be on-site to showcase cutting-edge technological advancements pertinent to the practice of endocrine surgery.

The Hyatt Regency is in downtown Dallas. There are several dining options within the hotel as well as other options a short walk or ride away. Endocrine Surgery University will be hosted on the nearby campus of University of Texas - Southwestern. The Dallas-Fort Worth area provides a fantastic location for family activities. Numerous attractions include iconic Dallas venues offering multicultural cuisine, sports, performing and visual arts, fashion, and outdoor escapes. The Hyatt is close to the Dallas Arts District, featuring the Dallas Museum of Art, the Nasher Sculpture Center, The Crow Museum of Asian Art, The Perot Museum of Nature and Science, The Meyerson Symphony Center, and the Winspear Opera House. Make sure to check out the Sixth Floor Museum at Dealey Plaza and learn more about President John F. Kennedy. Other family-friendly attractions include the Dallas World Aquarium, Dallas Zoo, Dallas Arboretum and Botanical Garden, White Rock Lake, Klyde Warren Park, Fair Park, and the Deep Ellum Historic District.

The AAES Annual Meeting is dedicated to the advancement of the science and art of endocrine surgery through exchange of knowledge and fostering collaboration. The upcoming 2024 event promises to deliver innovative programming that will enrich attendees' clinical practices, provide networking opportunities, and facilitate scholarly pursuits. We cordially invite you to join us in Dallas for this exciting event. It will be an excellent opportunity to dive into new topics, share expertise, and connect with peers who share similar interests.
